Child Slave Labor News

http://www.geocities.com/cslnews/saipan_labor.html

Other resources

Department for International Development - The website of the UK government department which hosted the Challenging Child Labour workshop in Manchester on 27 - 29 July 1998.

Changemakers

Changemakers.net

Changemakers.net is the web's first and only portal on global social entrepreneurship. It is an initiative of Ashoka: Innovators for the Public, an international non-profit organization that invests in social entrepreneurs people who have the same temperament and drive as business entrepreneurs, but who apply these qualities for solving social problems without the profit motive. The mission of the site is to provide inspiration, resources and opportunities for those interested in social change throughout the world.
